

AUTISM GOLD COAST KIDZPlay 'n' Learn Group 1 - 5 years

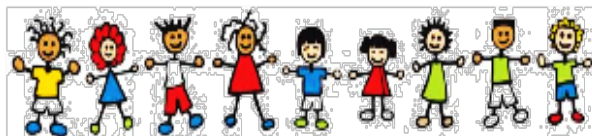

KIDZPlay 'n' Learn is a fun group of mums, dads, grandparents and caregivers who meet together with their toddlers and pre-schoolers (1-5 years).

Children who are 5 years and under, go through a stage of rapid growth in their gross, fine motor and social skills.

KIDZPlay 'n' Learn offers a stimulating, fun environment in which toddlers and young children are exposed to a wide variety of early developmental learning experiences.

It's a great way for your child to learn about the world, make friends and develop play skills.
